

CALL FOR TRAVEL SCHOLARSHIPS FOR RESEARCH STUDENTS IN RENEWABLE ENERGY STUDENT ENERGY SUMMIT – LONDON, JULY 2019

The TAU Renewable Energy center supports research on the various aspects of renewable energy. As we encourage students to present their academic work in international forums and promote a positive change in the world, the center will extend travel scholarships of **up to \$500 per student**, to research students in the field of renewable energy who will have the intention of presenting their research in the International Student Energy Summit which will take place in London on July 2019.

For further information regarding the summit, please see:

<https://www.studentenergysummit2019.com/>

To read more about us, visit our websites: <https://energy.tau.ac.il/>

EVALUATION CRITERIA

1. Relevance of the study to Renewable Energy.
2. Relevance of the conference to the student's research.

ELIGIBLE TO APPLY FOR SUPPORT

Ph.D. and M.A. students from all TAU faculties.

Only one travel scholarship may be extended to a given lab or research group.

SUBMISSION FORMAT

- Applicant's details (name, department, faculty) and CV.
- Research topic and abstract (up to one page).
- Recommendation of the applicant's academic advisor.
- Approval of the applicant's participation

SUBMISSION DATE
