

2010 IEEE 26th Convention of Electrical & Electronics Engineers in Israel (IEEEI 2010)

November 17-20, 2010, Hilton Hotel, Eilat, Israel

CALL FOR PAPERS

General Chair
Sigmond Singer

General Co-Chairmen
Anthony J. Weiss
Shmuel Auster

Technical Program Chairman
Uri Shaked

Publications
Anthony J. Weiss

Finances
Yuval Beck

Steering Committee

Israel Cidon, Technion
Mordehai Heiblum, Weizmann Institute
Ehud Heyman, Tel Aviv University
George Moschytz, Bar Ilan University
Stanly Rotman, Ben Gurion University
Naftali Tishby, The Hebrew University
Anthony J. Weiss, Tel Aviv University

Organizing Committee

Shmuel Auster, Elta Systems
Yuval Beck, Tel Aviv University
Doron Shmilovitz, Tel Aviv University
Sigmond Singer, Tel Aviv University
Anthony J. Weiss, Tel Aviv University

Technical Program Committee

Uri Shaked, Tel Aviv University, Chair
Joseph Appelbaum, Tel Aviv University
Ady Arie, Tel Aviv University
Shmuel Auster, Elta Systems
Jacob Baal-Schem
Ofer Barnea, Tel Aviv University
Reuven Cohen, Technion
Erez Uri, Tel Aviv University
Arie Feuer, Technion
Sharon Gannot, Bar Ilan University
Gady Golan, Holon Institute of Technology
Leah Goldin, Shenkar College
Moshe Harpaz, Electrical Engineering Ltd
Moshe Henig, ITL Product testing
Nadav Levanon, Tel Aviv University
Reuven Meidan
Moshe Netzer, Rafael
Mark Ruberto, Intel
Levi Schachter, Technion
Hanoch Ur, Tel Aviv University
Shlomo Weiss, Tel Aviv University
Ezra Zeheb, Technion

Every second year *IEEE Israel Section* organizes a major convention that reflects achievements in computers, Electrical and Electronics Engineering. Practitioners and scientists can use this opportunity for interchanging information on the latest developments.

In 2010 *IEEE Israel Section* will appreciate a wide participation of professionals from Israel and abroad.

Convention Topics

- Aerospace Systems
- Circuits, Systems & Control Systems
- Communications
- Computers
- Electromagnetic Compatibility
- Electron Devices
- Engineering in Medicine & Biology
- Engineering Management
- Industrial Electronic & Industrial Applications
- Information Theory
- Lasers & Electro-Optics
- Microwaves & Antennas
- Power Engineering
- Signal Processing
- Vehicular Technology
- Pattern Analysis & Machine Intelligence
- Emerging Technologies
- Product Safety Engineering

Student Papers Contest

Awards will be distributed to the best three papers.

Submission of Abstracts

Authors are invited to submit an extended abstract, in any of the topics listed above, according to the instructions in the convention homepage:
www.eng.tau.ac.il/~ieee

Important Dates

Abstracts to be received by **July 30, 2010 (extended)**
Notification of acceptance **August 15, 2010**
Camera Ready paper to be received by **September 15, 2010**
